Dear Friends,

Duncan Golf & Tennis Club cordially invites you to participate in the **30<sup>th</sup> Annual Dunk 'n Divot Golf Tournament** to be held on September 23 & 24, 2016 at the Duncan Golf & Tennis Club in Duncan, OK. I am happy to announce that the theme this year is "Circle of Champions". We are asking that if anyone has any photos of past Dunk 'n Divot Golf Tournaments to please share. You can email jpeg to [shana.ford@duncangolfandtennisclub.com](mailto:shana.ford@duncangolfandtennisclub.com) or just drop them by to be scanned. You can also tag us in your photos on Facebook at Duncan G&TC.

The Dunk 'n Divot is a premier 2- Day 36 hole Ladies 2 person Invitational. The Field will be limited to the first 48 teams. The Dunk n' Divot provides you and other amateur teams an opportunity to play in one of the most storied Ladies Invitational Tournaments in Oklahoma. As a participant in the tournament, you will receive entry gifts, breakfast, lunch and dinner, and the top 4 teams in each flight will be awarded cash prizes. There will be 4 flights with a full field of 48 teams. We will have on-course contests for all flights in both rounds of the tournament.

Every year we continue to enhance our facility and this year is no different, we put in new bridges through the course. Plus we have had another year of record rainfall the golf course is in phenomenal condition and is going to be a good test for all competitors.

The 30<sup>th</sup> Anniversary of the Dunk n' Divot is sure to be a success and we would love to share this great tournament with you and your partner. Looking forward to seeing you in September!

See you in the Fairway,  
Mike Hansen

# Junior Golf Corner

Duncan G&TC will be represented by 5 of our junior golfers in the PGA Jr League All Star Matches. These leagues are comprised of the Western half of the state. No other club has more than 3 players representing them. Congrats to our juniors and all of their hard work this summer.

## TIP FROM THE PROS

### Putter Face Alignment

95% of the influence of the ball putting is imparted by the putter face at impact. On a 10ft putt a player can only have the putter face open or closed by 1\* and still hole the putt. Use a chalk line, string or alignment sticks to help check your face alignment at impact. A good drill to practice this at home is to putt a roll of quarters. You will instantly know if the blade is open or closed by how the roll of coins moves. Practice this for 5 minutes each night and you will see more putts find the hole.

## Rules Wizard

**Q:** On hole 3 at Duncan Golf & Tennis Club, a player (we will hypothetically call him Danny Mercer) hits a snap hook into the lateral hazard on the left. What are his options to proceed?

**A:** Players have 5 options when a ball enters a lateral water hazard:

1. Play the ball as it lies in the hazard.
2. Take 2 club lengths from the point of entry no closer to the hole.
3. Replay the shot from the original position.
4. Drop the ball on the line from the point of entry and the FLAGSTICK as far back as the player wishes.
5. Take lateral relief on the opposite side of the hazard at a point no closer to the hole.

The majority of players do not know about the 5<sup>th</sup> option which can make a difference between a bogey and a score that cannot be overcome. Knowing the rules can be a huge advantage. The rules are there to help players navigate the course.
