Rule Changes for 2017

“Rules [18-2](#), [18-3](#) and [20-1](#) are modified as follows:

When a player’s ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment.

The moved ball or ball-marker must be replaced as provided in Rules 18-2, 18-3 and 20-1.

This Local Rule applies only when the player’s ball or ball-marker lies on the putting green and any movement is accidental.

Note: If it is determined that a player’s ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.”

Junior Golf Corner

Spring PGA Jr League

The PGA Jr League is going to begin again soon. If your child or grand child is interested in playing in the Spring PGA Jr League, contact us at the golf shop for more information.

The PGA Jr League is a perfect introduction to golf in a semi competitive environment. The juniors play matches against other clubs in a scramble format. Call us to see how you can join in on the fun!

Email questions to mhansen05@pga.com or call at 255.7706!

Do you want to host a golf tournament in 2017?

If you want to host a golf tournament in 2017 please contact the golf shop today. We are already scheduling events through October and the sooner you book your event the more flexibility we will have with the calendar. For more information or to schedule an event please call the golf shop at 255-7706.

Tip of the Month

Knowledge is power and knowing what makes the golf ball curve is something that most golfers have backwards. The PGA taught us that the clubface makes the ball curve and the path of your swing determines the starting point....WRONG!

Over the last 5 years Trackman has proven that what was taught and unfortunately still taught by many instructors is 100% backwards!

The ball starts on line, right or left due to where the clubface is pointed and curves based on the path of the swing. To fix your golf ball, it is easiest to address the face first then work on the path. Your check points to practice squaring the clubface should start with having a fundamentally correct grip then looking at the arm and wrist positions throughout the swing.

If you have questions or would like to get some help on your game, call us at 255.7706.
